History:

Pastor Shanie has been active in and served in diverse ministries of varying size and denomination for over 15 years. Her journey to find ministerial leadership with the willingness to help her cultivate her gifts, tap into her purpose and embrace the calling of God on her life gave her the experience of finding Christ and learning herself. The lack of leadership, support, and mentorship over many years helped her to deepen her spiritual life and forged within her many prudent leadership principles she now lives. Even through leadership attempts to take advantage, Pastor Shanie has learned the value of being called out of religion and the church structure into a relationship with Jesus Christ. As she has walked through the growth process and fully accepted and surrendered to the call of God, these valuable life and leadership experiences have propelled her forward as a builder in the Kingdom of God Marketplace Businesses.

PUBLICATION

Face The Lion is a chain breaking, barrier busting, groundbreaking book written by Prophetess Shanie Salmon-Godfrey. This book was inspired by the Holy Spirit to bring forth deliverance, victory and elevation. After years of teaching and pastoring, I have encountered so many amazing people that are not living up to their potential. Many are bound by fear, hurt, anger and disappointment. Many feel the shame of telling their story, their voices go unheard. Many gifts and talents that can change the world, sadly go back to God unused. Everyone has a story to tell, but few people ever find their voice to share it. We must all face the lion inside. Will you decide to run away or fight? This book will equip you to face the lion inside, to stand your ground, and fight. You will learn how to eradicate mediocrity, an annihilate fear. Through personal testimonies and Holy Spirit inspired prophecies, you will be armed with the word of God, a renewed mind and a written strategy to elevate your life.
